

- **Automated victim notification and registration system.** By interfacing with your Jail Management System (JMS), LAVNS provides your citizens with critical information about the custody status of offenders, 24 hours a day, 365 days a year.
- By registering a victim in LAVNS, you will have met the requirements of the new **Louisiana Victim Notice and Registration Form!** By indicating on the form (see back) that your agency has registered the victim in LAVNS, you no longer have to maintain a written log of calls; LAVNS will call the victim for you. Also, LAVNS maintains a permanent log, with details about the notification attempts and successes.
- Each agency is optionally provided a "live" **Roster**, which is available via the internet. For example, Jefferson Davis Sheriff's roster is located at www.JeffersonDavis.LAVNS.org. Put a link to YOUR roster on your website, and you will be hosting a live Roster, updated every 30 minutes with important information for victims. In addition, victims can register from YOUR roster with the click of a mouse.
- **LAVNS will field "custody-status calls"** from the public for you. By adding the toll-free LAVNS number (866-528-6748) to your phone tree, LAVNS will handle custody-status calls, in English and Spanish, 24 hours a day. In addition, our LAVNS operators provide other useful resources to victims, such as information about shelters, Crime Victims' Reparations, or just a patient, understanding person to hear a victim's concerns.
